

FREQUENTLY ASKED QUESTIONS:

Do I need to be a member of the club to have lessons?

No. However, it would be advantageous for players to join so that social tennis can be played outside of your coaching sessions and the technique and skills learnt during sessions practised. Non members pay an extra £1 per group coaching session.

How do I become a member?

Membership information packs are available from outside the clubhouse or via our website www.thistleworth.net Membership discounts are available in your first year. We are looking to introduce Family Membership soon—ask for more details.

What should I wear?

Players should wear appropriate sports clothing - this does not have to be white. T-shirts and track-suit bottoms/shorts are fine.

Do I need my own racket?

No. All equipment is provided. As your game improves you may want to buy your own racket.

What is the minimum age for players?

We take players from the age of 4 year old.

Which group session should I apply for?

This is not easy to answer without seeing players in action. If you are unsure call the Coaching Team and we will make a judgement based on age, sporting history and the standard of other players in each group. All groups are flexible, so players can be moved part way through the course.

Can I join a course after it has started?

Yes, if there is space. The cost will be pro rata for the number of remaining weeks.

How do I know if a lesson has been cancelled when the weather is bad?

The coach will attempt to txt all players prior to the start of the lesson; however this is not always possible, therefore please phone the coach on their mobile to confirm arrangements if you are unsure. Contact numbers are on the from page of the application form.

What happens if a lesson is cancelled due to bad weather?

Players will be given credit that can be used on subsequent courses.

What should I do if I know I will be unable to attend all sessions?

This is catered for on the course application form. Enter the dates you are unable to attend and reduce the total course fee accordingly. You only pay for the lessons you can attend.

Can I pay each week for my session?

No. We ask players to pay for a block of lessons so the coaching team can spend more time coaching and less time doing admin tasks.

Are individual coaching sessions available?

Yes. Ask one of the coaches and they will provide further details.

Do lessons run all year round?

No. In 2017 Saturday junior sessions will run until 23 December 2017. Wednesday afterschool sessions start on 20 April 2017 and will finish on 4 October 2017. All sessions will run as normal during school holidays.

Are adult sessions available?

Yes. Adult sessions are on Sunday's at 11am for 90-minutes. There is no need to book—just turn-up. They run all year round.
